

Secondary Parent/Student Contract

Families who request to use online instruction through the EDGE Virtual Academy in place of in-person teaching at the school site have the added responsibility of ensuring their student(s) are actively engaged in the program and progressing through grade-level work.

1. I have read the Student/Parent Reference Manual for grades 6-12.
2. I understand my responsibilities through the EDGE Virtual Academy.
3. I agree to each of the following program guidelines:
 - a. Attendance policy
 - b. STAR testing and other state-mandated testing must be completed in-person at a school or district administration office within the designated testing window. If a student fails to complete state-mandated testing, the student will not be allowed to participate in the EDGE program the following school year.
 - c. Grading policy
4. I understand a time commitment similar to a traditional classroom is necessary to complete learning activities.
5. If my child is not performing successfully in the EDGE program, the school may revoke their privileges and return them to a brick-and-mortar learning environment.
6. I will not hold the district responsible for technical difficulties on the part of the internet provider or curriculum provider.

As stated, the undersigned agrees to adhere to this contract and all rules and procedures established for this program. Failure to comply with this contract will be grounds for dismissal from the program.
